

## Chitcombe Farm, Dorset

# CASE STUDY

Shean & Hare Construction managed the design and build of this new country house in rural Dorset.

The build consists of a basement, large open rooms over two storeys and a portico area, to which CWO has completed the Hamstone facing stonework including the main entrance steps and intricate details around the main entrance door which has been finished off with knapped flint feature blocks.

Client:	Private client
Main Contractor:	Shean & Hare Construction
Specialist Stone Contractor:	CWO Ltd
Architect:	Stuart Martin
Value:	£342,000
