

TECHNICAL SALES MANAGER – SHEET METAL FASTENINGS

UK & SOUTHERN IRELAND

TR Fastenings, part of Trifast plc, have 23 locations globally of which 7 are manufacturing sites. We supply Fastenings and Cat C product to over 50 countries globally and are recruiting for 2 key technical positions to support the ever growing needs of our customer base: www.trfastenings.com.

The Role

A UK and Southern Ireland role, to develop new business and support the UK Sales Teams to specify sheet metal fastenings eg self-clinch, rivet bushes and rivet product etc. into OEM's and CEM's. Experience of the product range is essential. Company car, mobile, laptop and specific product training will be provided.
